A SOLID BLEND OF CREATIVITY, PASSION, COMMUNICATION, UNDERSTANDING, AND EXECUTION.

## ANIMATION PRODUCER

- Brings scripts and storyboards to life through motion design, character animation, kinetic typography, and more, using both 2d & 3d tools.
- Delivers engaging, industry-specific animated content across media platforms to a wide variety of clients and audiences.
- Creates engaging compositions and designs, executes on creative direction, and provides insight from visioning through post-production.

## ART DIRECTOR

- Produces high-quality digital content, initiates creative strategies, and provides complete asset and project management.
- Leverages animation principles and strategic storytelling to deliver on creative content with a strong sense of composition, form, and timing.
- Manages animators, illustrators, VFX artists, graphic designers, contractors, and other creatives on a variety of creative projects.
